

**Attention Partner Agencies—  
Capture CCC Donations on Your Web Site!**

Make it easy for Colorado government employees to donate to your organization while they're visiting your web site. Grab their attention by prominently posting the blurb below. It provides quick access to the Colorado Combined Campaign web site and online giving tool.

Please fill in your agency's name and make sure the [hyperlink](#) works.

**Are you a Colorado Government Employee?**

If so, you can easily designate your charitable contribution to **(agency's name)** through the Colorado Combined Campaign. Right now, State employees are participating in workplace giving campaigns and making pledges via payroll deduction, cash, check or credit card. No matter the amount, your contribution makes a huge difference!
